

# FAMILY WEEK 2007

November 18-24

## **CELEBRATING 100 YEARS of OKLAHOMA FAMILIES**

***Celebrate* Oklahoma's Centennial by introducing your children to activities enjoyed by families in the past.**

- **Show your children how to play with yo-yos, tops, slinkies, jacks, and marbles.**
- **Take your child to a pond or lake and skip stones across the water, or see how far each of you can throw.**
- **Catch minnows in a creek, or dig up worms then go fishing. Use a bare tree branch for the rod.**
- **Take your children for horseback, buggy, wagon, or Model-T rides.**
- **Visit an elderly person and ask him/her to share with your family what he/she enjoyed doing as a child.**
- **Family reading time: cook some popcorn then all gather around as a family member reads a short story or book chapter aloud.**
